

# Student Careers eMentoring programme 2018/19 Information for mentees

**Are you an undergraduate student looking to get ahead as you start to prepare to enter the job market?**

Apply for an eMentor and benefit from their experience as they support you to develop your job search, application and interview strategies.

Our eMentors are Leeds graduates, from a range of sectors, who can provide you with real world advice, guidance and practical information to help you when thinking about your future career.

**There are two schemes each year**

**Scheme dates & how to apply**
