“

During my time as a Marketing trainee at McFelder Translations, I gained invaluable experience in living and working abroad. In the short time that I worked there, I learnt a great deal not just about how a translation agency is run, but about business in general.

If you're looking for real business experience and you'd like to pick up some Spanish along the way – McFelder Translations is just right for you!

“ Due to the variety of responsibilities given to me during my internship, I have acquired invaluable skills that go much further than just building on my language knowledge. Thank you, McFelder!
